## MINUTES OF ORDINARY MEETING OF MURTON PARISH COUNCIL 4 August 2025

**Present:** Alastair Bell, Jim Hardman (Vice Chair), Anne King, Tina Longstaff, John McDarren (Chairman), Willie Patterson, George Slack and three members of the public.

- 57/25 Apologies for Absence:** There were no absences.
- 58/25 Declarations of Interest from Councillors:**  
No declarations of personal or pecuniary interests in respect of items on this Agenda were made by elected members.
- 59/25 Minutes of Previous Meetings**  
**Resolved:** The Minutes of the Annual Meeting of Murton Parish Council and Ordinary Meeting held on 28<sup>th</sup> April 2025 accepted as a true record.
- 60/25 OPEN SESSION –** the following points were raised:
- 60/25/1 Loan and erection of stakes for Appleby Horse Fair –** Murton Parish Council extend their thanks to James Harker for the loan of wooden stakes to restrict access to Murton Green and to Chris Phelan for erecting and removing the stakes. No issues were reported in this area during the Horse Fair.
- 60/25/2 Village Green at corner opposite Flakebridge road –** discussion as to the necessity of erecting stakes on the Green during Horse Fair week as this was left accessible this year.  
**Resolved:** No objections were raised.
- 60/25/3 Report of crowding of Caravans and vehicles at Coupland Beck** on Thursday prior to Appleby Fair. These quickly dispersed once the Fair field was opened.
- 61/25 Parish Council Electronic Mailing List**  
An additional eight members have been added to the circulation list. Cllr Bell reported a further three to add. Councillors encouraged to continue to promote inclusion on the mailing list.
- 62/25 Hilton Drains**  
The Chair reported that Hilton Drains are on the list of actions for United Utilities. Recent communications suggest completion is expected before 2030. UU are trying to push the date forward but this is budget dependent. Three options were discussed with the favoured option being to invite local residents to contribute to the cost. A suggestion that interest be canvassed. As the anticipated cost is unknown, this was seen as too pre-emptive at this stage.
- 63/25 Murton Water Channel**  
Due to the lack of heavy rain recently, the extent and impact of rainwater run-off has yet to be determined. The possibility of diverting water run-off from the fells was discussed. Cllr Hardman will make enquiries to the feasibility of diverting this flow.
- 64/25 Murton Broadband Working Group**  
The recent meeting regarding Broadband roll-out to the area was attended by two councillors. Murton Parish Council area is included in the roll-out. Concern was raised that much of the infrastructure will be fed by poles above ground, a particular risk in this area. Progress is not expected until 2026-27. The working group will continue to consult on the process.
- 65/25 Digital Switchover**

The switchover to digital is progressing, with specific impact on those reliant on home phones. Anyone concerned should contact their current supplier and check what support can be offered.

**66/25 W&F Council – Appleby & Brough Place Action Group**
